## STINGERS

Oct. 9, 2001

### Buzz's web site

With the advent of recent technology, Buzz has found it hard to resist and has succumbed to having his own web site. Anybody who is anybody seems to have a web site and now Buzz, who is definitely somebody, can be added to that list. As Buzz's favorite thing to do at games is to be with his young fans, he has dedicated his web site to children. Children, with the help of a parent, are encouraged to explore the web site.

The interactive site allows kids to dance with Buzz, draw with Buzz and write to Buzz. Yes, Buzz also has his own e-mail address. Make sure that everyone has the chance to write to Buzz and be able to tell him about their birthdays, their favorite sports and activities. He will respond as quickly as he can.

Buzz is really excited about his new site and hopes to expand the site in the near future. Coming soon to the site will be story time with Buzz, new dances with Buzz and math with Buzz. He will also be posting a photo gallery of himself and his fans cheering on all his favorite Stinger teams. Meanwhile, check out the site [www.concordia.ca/buzz](http://www.concordia.ca/buzz) and find out when Buzz will make his next appearance.

### Concordia Athletes of the Week

**Sommer Christie** of the women's rugby team and **Jean-Michel Paquette** of the football team have been named Concordia Stinger athletes of the week for the period ending Oct. 9.

Christie, a third year fly-half, had three tries, four converts and one penalty kick in the week-end game. The 22 year-old helped secure a 71-0 win over the Sherbrooke Vert et Or. It was the most points Christie has ever scored in a game. One try was the result of a 60 yard break away. This summer, Christie played scrumhalf for the U-23 Canadian national team and was a member of the Quebec senior provincial team. A native of Wentworth, Quebec, Christie is in athletic therapy at Concordia. Christie was also the Concordia female athlete of the week last week.

Paquette helped the Stingers keep their first place position in the QIFC with a 22-5 victory over the Bishop's Gaiters. The running back rushed 17 times for 119 yards and returned 6 punts for 66 yards for a total of 185 total yards. Paquette, a native of St-Louis de France, Que., is an administration student at Concordia. This the second time Paquette has been nominated as Concordia male athlete of the week.
